

ZHD 3000

OUR HEAVY DUTY CANTILEVER LIFT FOR THE MOST DEMANDING OF CONDITIONS

Designed for vehicles with GVW over 12 tons.

The maximum lifting height is 1500 mm.

Light:

The steel platform is made of Domex™, a high tensile steel that gives strength at low weight.

Safe:

The hydraulic unit is integrated in the steel support frame, which gives protection and keeps the pump noise to a minimum.

Ease of installation:

Utilises the latest ZEPRO Universal Control Unit, for increased safety and optimal ergonomics.

Ease of use:

Double acting tilt cylinders throughout ensure speedy loading and unloading regardless of weather or temperature.

The ZHD 3000 offers a loading capacity of 3000 kg with a load centre of 1000 mm enabling heavy, voluminous loads to be handled with ease.

SUITABLE FOR

- Vehicle rental
- Food and Beverage
- Heavy distribution
- Automotive parts
- Laundry delivery
- Construction material
