

TL1000 MK3

TRIMLOADER COLUMN TAIL LIFT WITH 1000 KG LIFTING CAPACITY

The ideal column tail lift suitable for 5T+ vehicles.

The tail lift has been designed to minimise weight and maximise vehicle payload.

Platforms are available in full aluminium or with steel mesh panels for dropside bodies.

Quick installation:

Pre-drilled tail lift columns and adjustable underrun bars allow for quick and flexible installation.

Low maintenance:

All sprocket pins are able to be greased when required. Wear pads installed to maximise product life and minimise maintenance.

Safer operation:

Anti tilt catch comes as standard to allow safe loading/unloading onto the tail lift platform. Trolley stops are included as standard.

Flexible options:

All safety features such as Safety Fences and Hinged Ramps can be easily retrofitted without the need to change existing components on the platform.

Recommended Segments

- Vehicle Rental/Leasing
- Home Delivery
- Traffic Management
- Food & Beverage
- Laundry
- Retail
- Construction

Product Specifications	
Platform width	2120-2515 mm
Platform depth	950-1550 mm
Lifting capacity	1000 kg (option 500 kg and 750 kg)
Bed height	900-1320 mm
Platform	Aluminium
Weight of complete lift	250 kg
Max vehicle weight	26 T

Standard Features

Safety	Performance	Maintenance	Material
Trolley stops Anti tilt catch Platform safety catch	Pre-drilled bolt on columns Adjustable bolt on underrun bar	Bolt together design allows easier service/repair (most applications) Greaseable sprocket pins Power pack and hydraulics enclosed inside tail lift beam for added protection Wear pads to minimise maintenance	Galvanised steel lift frame Aluminium platforms

Optional Features

Safety	Installation	Material	Maintenance/Performance
Hinged rear ramps Hinged side ramps Auto erect fences Dual mode fences Detachable fences Wrap around fences Stow light indicator Platform lights Two handed control	Extended power cables Barn door application	Aluminium platform with steel mesh window for dropsite applications Anti slip overlay for tail lift platform	Battery guard Solar panel kit
