

C

THE ORIGINAL FLIPAWAY LIFTGATE FOR HASSLE-FREE DELIVERIES

Lifting capacity of 2,000 lbs.

A classic design that offers reduced maintenance features and enables smoother, more efficient deliveries.

The loading platform with two folding sections can be stored beneath the body floor, allowing easy access to the cargo area without activating the lift.

The flip away liftgate is welded to the frame of the vehicle chassis for optimum safety.

Recommended Segments

- Rental/Leasing
- Beverage

Reliable operation:

All key components are designed to perform at their best. The electrical system has a dedicated ground wire, fully potted toggle switches, and two solenoids to keep you moving. The hydraulic system is fully closed to keep contaminants out while the cylinder rod stays protected in transit since the cylinder is fully retracted. **Power down system is standard to provide consistent lowering and lifting speed regardless of the operating environment.**

Simplified maintenance:

External curbside pump for safe and easy access.

C Specifications	
Platform width	72"
Platform depth	36"
Lifting capacity	2,000 lb.
Bed height	Min 34" to Max 45"
Platform	Steel or Aluminum
Ramp	Wedge
Weight of complete lift	590 lbs.

Standard Features

Safety	Performance	Maintenance	Installation	Material
Charge line circuit protection	Full-dip (wedge) platform Power down Torsion spring assist	Weather-protective power unit enclosure	Power unit pre-mounted and fully tested at the factory	Powder coat finish with zinc primer

Optional Features

Safety	Performance	Maintenance	Installation	Material
Cab shut off switch	Dual controls Hand-held pendant control Single fixed step dock bumper	Cycle counter	Remote mount pump kit AUX battery kit Bolt-on bed extension (only available for galvanized option)	Galvanized option (only available when ordered in groups of 10 at once)
