

THE HEAVY DUTY CANTILEVER LIFT FOR TOWING TRUCKS

Based on the robust design of the Z2000 but adapted for working with an under mounted tow hook.

Comes with powder painted steel frame and platform in different materials, sizes and options.

A robust lift designed to last and to maximise vehicle up time.

SUITABLE FOR

- Vehicle rental
- Food and Beverage
- Distribution
- Laundry delivery
- Construction material
- Delivery
- Home delivery services
- Towing

Sturdy:

High strength steel in lifting mechanism and boxed arms makes this lift sturdy and durable. Adjustable rear under-run protection according to the new regulation. Pins and bushings designed for extended life.

Ease of installation:

Adjustable under-run bar to fit any truck or trailer. Freely movable power pack for flexible adaptation to the truck and prepared for a number of controls including radio and foot control. Available in different versions to fit most heavy trucks.

Low maintenance:

Corrosion protected cylinder rods with bellows to extend life of cylinders. Ozone resistant thermoplastic hoses. Equipped with water and dirt absorbing oil filter. Powder painted according to automotive standard.

The ZAHD/ZAETH is very flexible lift with a number of options designed to work a life as your faithful companion. It is the ideal lift to support your busy operation.
