

Z3N

THE LIGHTEST CANTILEVER LIFT WITH 750 KG LIFTING CAPACITY FOR 3.5 TONNE VEHICLES

Slim and lightweight design with narrow arms makes this the first choice for 3.5 t urban distribution vehicles.

Comes with powder painted high strength steel frame and an aluminium platform.

A durable lift designed to maximise payload and vehicle up time.

SUITABLE FOR

- Vehicle hire
- Construction
- Wholesalers
- Highways
- Horticulture
- Local authorities
- Railways
- Laundries
- Builders merchants
- Parcel deliveries
- Bakeries
- Home delivery services

Lightweight:

At 171 kg fully equipped, this lift is the lightest cantilever lift on the market.

Safety:

Slip resistant platform with flashing warning lights and roll stops.

Ease of Installation:

Mounting kits for all major truck manufacturers, and flexible bracket widths makes the lift fit nearly all 3.5 tonnes trucks. Includes folding under-run protection for a better ground clearance.

Ease of use:

Double acting tilt cylinders ensure speedy loading and offloading regardless of weather or temperature. Quick opening minimises waiting time.

The Z3N is very easy to operate and very simple to maintain. It is the ideal lift to support your busy last mile deliveries.
